Welcome to precisionFDA!

Your precisionFDA username	Email address for this account
omar.serang.6	oserang@dnanexus.com

In compliance with FDA regulations, users are required to:
- Accept the terms of service.
- Configure a password of the required length and complexity.
- Use multi-factor authentication (MFA) with the Okta Verify mobile app.

☐ I have an iPhone or Android device for MFA.

☐ I have read and I accept the precisionFDA Terms of Service.
